STRONGER TOGETHER BECAUSE WE LIVE UNITED

Consulting

Organization

Research shows that only 20% of organizations accomplish what they set out to do and have employees that are engaged and happy with their jobs. ICC helps clients improve financial performance and make their organizations better places to work, by ensuring the entire organization system is aligned and set up to deliver the company's objectives.

Strategy & Marketing

ICC Community Builders will serve our clients with their most complex strategic challenges and build tailored solutions to help them achieve sustained growth.

Performance Improvement

Company leaders worldwide are feeling increasing pressure to improve the performance of their businesses. Here at ICC we identify the key initiatives that will make the competitive difference.

Community Companions

Our Community Companions make it possible for individuals with disabilities to participate fully in all aspects of community life, as they choose. The mission of your companion is to create partnerships with community agencies that match the individuals goal within a 10-15 mile radius of their home.

Each Community has assets and activities that are available and open to all citizens and we at Imperial Companions have a proven track record with creating healthy relationships between our buddies and agencies that provide the following:

Music Therapy
Hydro-therapy/Aquatic Therapy
Pet Therapy
Physical Therapy
Art Therapy
Recreation/Leisure
Life Skills in Nature and Beyond
Community Living Services

Community Companions is the alternative to your local day program. We also support new agencies in our network with the assistance they need to welcome and include people with disabilities.

Supported Employment

- Community - Based Employment
- On Site job coaching
- Self Employment: Promotion of initiatives for the establishment of micro enterprises by persons with disabilities .

Independent Living Support

Our Independent Living Support team provides service to eligible individuals who are semi-independent and require minimum support in their own apartment or home.

The ambition of our ILS staff body is:

- assist individuals to maintain and build connections and relationships with family, friends and other community members and resources
- assist individuals to maximize independence in instrumental activities of daily living
- assist with the promotion and maintenance of health and wellness
- recognize the potential of individuals an facilitate opportunities for continuing growth and personal development
- assist in the prevention of, and/or delay the need for, admission to a **staffed residential** support option.
